

Start a Carpool – Earn Toll Credits Pilot Program: Fact Sheet

The State Road and Tollway Authority, in partnership with the Georgia Department of Transportation's Georgia Commute Options program, is excited to announce the third commuter credits pilot program for Peach Pass customers who use the I-85 Express Lanes.

The Start a Carpool – Earn Toll Credits Pilot Program encourages Peach Pass customers to form a new carpool with two or more people instead of driving alone to and from work. You can share the driving with someone else, save money on gas and car expenses, reduce your stress and split the cost of tolls in the I-85 Express Lanes.

Best of all, for starting a carpool, you can earn up to \$100 from Georgia Commute Options AND you can earn up to \$100 in toll credits!!

To be eligible, you must start a new carpool with two or more people. Peach Pass customers with personal toll accounts must sign up for Georgia Commute Option's \$3 a Day program and begin logging their carpool commutes on the I-85 Express Lanes over a 90-day period. Participants who start a carpool and ride in the I-85 Express Lanes can earn \$3 a day, up to \$100, from Georgia Commute Options as well as \$3 a day, up to \$100, in Peach Pass toll credits.

Eligibility

To be eligible for the Start a Carpool – Earn Toll Credits Pilot Program, you must:

- Register for and be accepted into the \$3 a Day program from Georgia Commute Options
- Have a valid Peach Pass personal toll account
- Start a new carpool with two or more people and ride in the I-85 Express Lanes
- Log your commutes and note which ones were carpools in the I-85 Express Lanes

Getting Started

It's easy to get started – simply visit GaCommuteOptions.com and create a commuter profile. Select and complete the application for \$3 a Day. Be sure to enter your 8-digit Peach Pass transponder number to be considered for the Start a Carpool program.

Registration begins May 1, 2015 and ends May 31, 2015.
