

Peach Pass Customer Agreement Update

Peach Pass continues to explore ways to improve, as well as add additional features and services. In doing so, we are updating our terms of service to reflect these changes. These changes include additions about "Peach Pass Plus" which will provide the ability to use your account to pay for parking in certain locations.

Please note that this is not an exhaustive summary, and we encourage you to read the updated terms of service in your [Peach Pass Customer Agreement](#). These updated terms will go into effect on July 26, 2021, and your continued use of the service after that time is your agreement to these changes.

To make changes to your Peach Pass account, access our self-service options online by visiting <https://www.mypeachpass.com/> where you will be able to:
